

EXPERTS IN **FLUIDS** and applications solutions

EQUIPMENT AND CAPABILITIES

PARTS WASHING

SPRAY BOOTHS

DESIGN & ENGINEERING

CONTROLS

SAND BLAST

SEALANTS & ADHESIVES APPLICATORS

TRAINING

PROJECT INTEGRATION

OVENS

FLUID HANDLING

POWDER COATING APPLICATORS

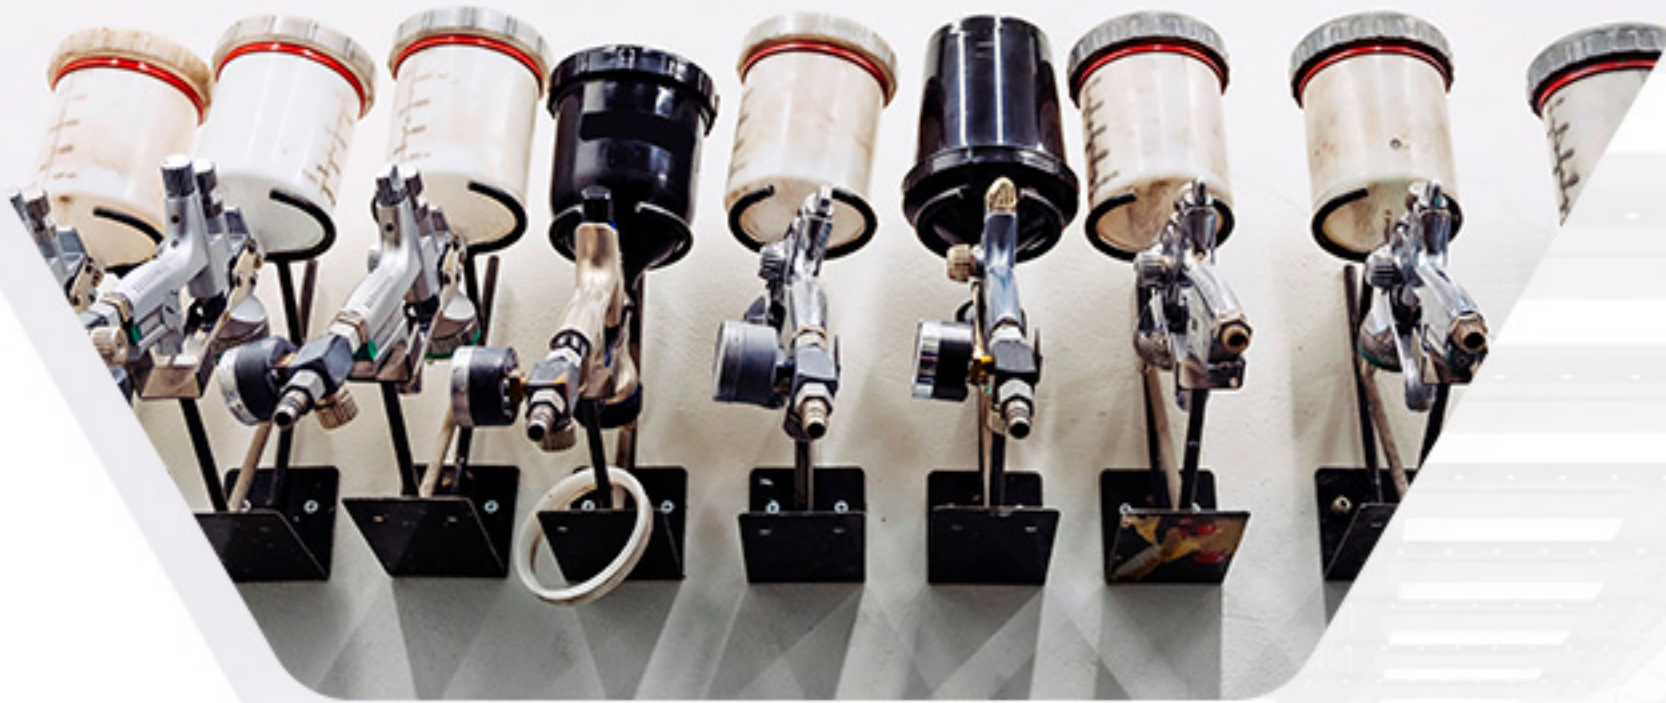

LIQUID COATING APPLICATORS

ACCESORIES

KEY PRODUCT LINE

- **Filters for paint application booths:**

*Certified
High efficiency
Bag type
Panel type
Injection
Extraction*

- **Drum Tumblers and Drum Handling Equipment**

*Drums
Buckets 5 gal.
Buckets 1 gal.*

- **Architectural paint application equipment (contractors)**

*Electric
Gasoline
Hydraulic*

- **Filters for compressed air handling:**

Maintenance units (FRL)

- **High and low pressure quick connectors for:**

*Air
Fluids*

- **Equipment for application of seals and adhesives**

*Cold
Hot melt*

- **Regulators for:**

*Fluids
Air
High pressure
Low pressure*

- **Hose reels for:**

*Air
Grease
Paint
Oil*

- **Finishing Spray Equipment**

*Manual
Automatic
High pressure
Low pressure*

KEY PRODUCT LINE

- **Fluid handling filters:**
Paint
Seals and adhesives
Oils and greases
- **Sand Blast**
Dry
Wet
- **Portable Mix Rooms**
- **Protective covers for robots**
- **Air handling Units (UMA)**
- **Equipment for waste solvent distillation**
- **High pressure washers (hydraulic)**
- **Pumps**
Transfer
Handling of high and low viscosity fluids
- **Stage washers for small parts**
- **Coating for booth protection**
- **Breathing air monitoring systems**
- **New and rebuilt robots^o**
- **Micro-dispensing valves and systems**
- **Safety Cabinets and Containers**
- **Hoses:**
Air
Fluid Handling
High and low pressure
- **Anti-flammability paper for booth floors**
- **Safety Equipment**
- **Dust trapping resin wipes**

MANUFACTURERS REPRESENTED

REPAIR & & MAINTENANCE DEPARTMENT

- Certified Technicians
- Service Calls
- Technical Support
- Warranty on Repairs
- 2k Preventive Maintenance Program
