KEY PRODUCT LINE

- **Filters for paint application booths:**
  Certified
  High efficiency
  Bag type
  Panel type
  Injection
  Extraction
- **Filters for compressed air handling:**
  Maintenance units (FRL)
- **Regulators for:**
  Fluids
  Air
  High pressure
  Low pressure
- **Fluid handling filters:**
  Paint
  Sealants and adhesives
  Oils and greases
- **Sand blast**
  Dry
  Wet
- **Portable mix rooms**
- **Protective covers for robots**
- **Air handling units (UMA)**
- **Equipment for waste solvent distillation**
- **High pressure washers (hydraulic)**
- **Drum tumblers and drum handling equipment:**
  Drums
  Buckets 5 gal.
  Buckets 1 gal.
- **Nozzles**
- **High and low pressure quick connectors for:**
  Air
  Fluids
- **Hose reels for:**
  Air
  Grease
  Paint
  Oil
- **Pumps:**
  Transfer
  Handling of high and
  Low viscosity fluids
- **Stage washers for small parts**
- **Coating for booth protection**
- **Breathing air monitoring systems**
- **New and rebuilt robots**
- **Micro-dispensing valves and systems**
- **Safety cabinets and containers**
- **Architectural paint application equipment (contractors):**
  Electric
  Gasoline
  Hydraulic
- **Agitators**
- **Equipment for application of seals and adhesives:**
  Cold
  Hot melt
- **Finishing Spray Equipment**
  Manual
  Automatic
  Low pressure
  High pressure
- **Hoses:**
  Air
  Fluid handling
  High and low pressure
- **Anti-flammability paper for booth floors**
- **Dust trapping resin wipes**
- **Safety equipment**
